Dazzle with Radiance

As the season unfolds with unearthly white like gems sparkling in the winter Mosbeau introduces its new products that are sure to capture the essence of beauty through health and over-all wellness.

This winter Mosbeau have created special products that is devoted for your every needs. The harshness of the season is no match with our collection that specifically designed to let your skin feel pampered. So be at your best light and sparkle this winter.

Mosbeau is proud to say that it has expanded its All-in-One skin care line in just months due to high demand. The tried and tested concept that made busy women enjoy being at their most beautiful - **Mosbeau Placenta White All-in-One Products**; launches Mosbeau Placenta White All-in-One Body Soap and the Special Winter Edition Mosbeau Placenta White All-in-One Body Lotion. No need to use other product because all you need is All-in-One.

The **Mosbeau Placenta White Products** is a collection of your trusted favorite skin care products ranging from supplements, hair care, facial care, body care and beauty compliments developed to unleashed your full beauty potential this winter season.

Breakthrough Ingredients

All Mosbeau products utilize the latest innovative ingredient that Japan can offer - the famous whitening ingredients Horse Placental Protein and the Japan Patented Marine Placental Protein. Mosbeau is continuously looking for new ingredients that are highly effective and safe to create products together with a fusion of its stable ingredients like Bellis Perennis (Daisy) Flower Extract, Artemia Extract and numerous plant extracts that moisturizes the skin.

100% Made in Japan

Japanese technology, superior quality. Mosbeau prides in bringing excellent products that every step in development is proudly Japan made. From clinical research, ingredient sourcing, product development, manufacturing, and packaging—utilizing their advanced technology and keen eye for perfection.

Improved Texture

Mosbeau products are improved to meet the distinct needs of Asian skin that's why all products are meticulously well thought-out from its texture, scent, efficacy, and safety - the main components of quality. The texture of the lotion and creams are perfected for its beauty benefits to be easily absorbed by the skin. The soaps are developed to cater to all skin types. Even the scents are improved to have a distinctive smell.

Superior Quality

Achieving excellence through quality. Mosbeau sees to it that its pool of experts is at par with the best to produce products that measures up with the world's standards. Mosbeau products are clinically proven safe and effective, a quality that the company is known for. As it gear towards strengthening its global presence Mosbeau thrive to deliver products that takes care for women.

Whitening + 40 Moisturizing Ingredients to Fight Aging

Look 10 years younger! Perfect for distinct women, the Mosbeau Placenta White Premium Cream is a high-end facial pampering that gives youthful radiance. Its special formula is proven to make you feel and experience beauty that is timeless.

Benefits

- Have whiter, younger and softer skin with 40 active ingredients.
- Effectively delay the aging process with Sodium Hyaluronate, Hydrolyzed Collagen, Trehalose and more.
- Softer and smoother skin is achieved with 24 kinds of moisturizing ingredients like Marine Extract, Vegetable Extract and Fruit Extract.
- Improve your skin appearance by solving your skin problems. Controls skin allergies with Dipotassium Glycyrrhizate and Artemisia Princeps Leaf Extract.
- Great sun shield with UVA and UVB protection ingredients like Sericin, Ethylhexyl Methoxycinnamate and Butyl Methoxydibenzoylmethane.
- In gel type form that will be easily absorbed by the skin. Non-sticky and great for all skin types.

MOSBEAU PLACENTA WHITE PREMIUM CREAM

40g ¥10000

Specialty Soap for Skin Problem

Face the season with renewed confidence. No dry skin. No allergies. Just beautiful radiantly glowing skin. Effective for whitening, anti-aging, moisturizing and peeling. The soap also reduce pores and solves skin problems like blemishes, pimples, allergy, dry skin and dead skin cells.

NEW & IMPROVED!

Perfect for **PROBLEMATIC SKIN**

MOSBEAU SPOTLESS WHITE GREEN TEA FACIAL SOAP

100g ¥1800

Benefits

- Infused with 7 different anti-inflammation ingredients like Dipotassium Glycyrrhizate, Scutellaria Baicalensis Root Extract, Artemisia Princeps Leaf Extract and more.
- Achieve fairer skin with whitening ingredients like Horse Placental Protein, Japan Patented Marine Placental Protein, Sericin and Beta-Arbutin to get faster results.
- Effectively absorbs and cleans dirt on pores with a mix of Charcoal Powder and tea component.
- Reduce large skin pores with famous Japan ingredient Enantia Chlorantha Bark Extract. Improved to create fine and creamy bubbles that are effective for all skin types.

Radiantly Softer Skin

Maintain healthy and velvety smooth skin with Glutawhite Moisture-rich Facial Soap. Rich in moisturizing ingredients, the product is perfect for the winter because it won't let your face dry and chap.

MOSBEAU GLUTAWHITE MOISTURE-RICH FACIAL SOAP

100g ¥2500

Perfect for **DRY SKIN**

Benefits

- Look younger and fairer with ingredients like Ceramide and CO-Q10 for whitening and anti-aging.
- Rejuvenates skin because of its potent skin cell renewing properties.
- Feel softer and fresher with mild exfoliation.
- Achieve silky, velvety skin with Hydrolyzed Silk.

ALL-IN-ONE SET

No Need for Other Beauty Products

Does winter make your skin dry? Moisturize and more with the All-in-One Facial Cream with its combined effects of facial lotion, beauty essence, moisturizer and sun block. You'll never run out of reason to be at your most beautiful.

Benefits

- Get the benefits of skin-whitening, anti-aging, moisturizing and UV protection.
- Let your skin be nourished and rejuvenated with Dipotassium Glycyrrhizate and Ubiquinone that serves as potent antioxidant properties. Look younger with great moisturizing ingredients like Hydrolyzed Collagen and Hydrolyzed Elastin. With Butyl Methoxydibenzoylmethane and Sericin for UV protection.
- Be young, radiant and fair with Horse Placental Protein an effective skin-whitening, anti-aging and skin-nourishing ingredient.
- Improve your skin problems by controlling your skin allergies with Glycyrrhizate 2K.
- Its gel type based texture is developed to achieve a lighter and smoother consistency that is easily absorbed by the skin. It is non-sticky or moist unlike before, and effective for all skin types.
- The make up blends easily and smoothly to your skin, so you'll get a matte finish for a shine-free instant make up base.

MOSBEAU PLACENTA WHITE ALL-IN-ONE FACIAL CREAM

55g ¥4500

MOSBEAU PLACENTA WHITE ALL-IN-ONE FACIAL SOAP

100g ¥2000

Perfect for **NORMAL SKIN**

ALL-IN-ONE SET ¥6500 > **¥6000**

Mosbeau Placenta White All-in-One FACIAL CREAM + Mosbeau Placenta White All-in-One FACIAL SOAP

Benefits

- With Placental Protein for whitening, Algae Extract for anti-aging, Hydrolyzed Silk for moisturizing, Sericin for UV protection and Citric Acid for peeling.
- Gives fairer skin by creating a lot of rich and extra thick bubbles that deeply penetrate the pores and rid skin impurities by locking in the dirt.
- Look younger than ever with its potent anti-aging properties.
- Softer skin is achieved with a mix of herb extracts like Rosemary Leaf Extract, Amica Montana Flower Extract, Ivy Extract among others that helps moisturize the skin.
- Get effective sun protection with its powerful UV filter.
- Peel perfectly without the harsh feeling on the face with natural mild ingredient.

Get Younger Looking and Whiter Body with Helston

Radiantly, stunning body is in this season. Don't get left behind get all the beauty benefits that your body needs through whitening, anti-aging, moisturizing, anti-cellulite, UV protection and peeling. Flaunt that fairer body envied by many.

NEW & IMPROVED!

MOSBEAU PLACENTA WHITE ALL-IN-ONE BODY SOAP

120g ¥2100

Benefits

- Helston is an original Japan ingredient that is very effective in absorbing dirt from the skin making it cleaner and fairer.
- Lighten your skin easily with a fusion of Horse Placental Protein, Japan Patented Marine Placental Protein, Cucumis Sativus (Cucumber) Juice and Ryoku-cha Ekisu for that intensified whitening effect.
- Defy age with ease with Helston and five (5) other anti-aging ingredients like Glauconite Extract, Hydrolyzed Collagen, Sodium Hyaluronate, Morus Alba Root Extract, Algae Extract.
- Exfoliate and look fresh with Lactic, Malic and Citric Acid that is good for peeling.
- Protect your skin from harmful UV rays with Sericin, a potent UV protection ingredient a multi-layer of sun shield.
- Improve your skin's smoothness and softness with moisture-rich ingredients like Glucose and Squalane.
- All you need is All-in-One Body Soap to improve skin conditions like spots, freckles and wrinkles. Enhance skin elasticity for fairer, younger looking body.

Cellulite Free and Fairer Body

Many will cling to you with that body glowing with fairness. Cuddle up this cold season because your skin will never disappoint with its soft and smooth texture. Shed dead skin cell build-up and cellulites through this effective exfoliant.

MOSBEAU PLACENTA WHITE BODY SCRUB

300g ¥3000

Benefits

- Get fairer, younger and fresher looking skin all thanks to ingredients like Placental Protein, Royal Jelly and Honey.
- No more dry skin from hereon because of Acetyl Tyronise ingredient that is good to improve dry skin.
- Effectively removes dead skin cell build-up and cellulites without stripping the skin's natural moisture.
- Maintains skin elasticity making it firmer and velvety smooth to the touch.
- With richer texture made from finer sea-salt that will not crystallized. It is easier to squeeze out the scrub.
- Now with colorant for improved color and a hint of lavender for fragrance.

Whiter Underarms in just 14 Days!

Get the best selling underarm cream that is proven to lighten up dark areas in just 14 days. Another winter wonder that can make your skin sparkle with beauty, the Mosbeau Placenta White Underarm & Inner Thigh Cream. Formulated to fight the dryness while still making your skin lighter. Standout fairness, achieved!

Benefits

- Infused with Bellis Perennis (Daisy) Flower Extract that provides even pigmentation against age spots, pigmentation disorders and freckles, as well as general skin-lightening activity.
- Get evenly fairer skin with Horse Placental Protein for whitening.
- With more potent ingredients and enhanced formulation like Alpha-Arbutin, Fulvic Acid and many more.
- Confidence all over because it effectively whitens underarms, inner thighs, knees, elbows, areolas and other dark spots.
- Provides long-lasting evenly fairer skin.

MOSBEAU PLACENTA WHITE UNDERARM & INNER THIGH CREAM

50g ¥4800

Moisturized with 20 Plant Extract

Never leave your home without applying the new and improved formulation perfect for the winter season. This limited edition lotion is created to address the cold temperature by caressing your body with lush mix of plant extracts that will protect your skin from drying and chapping.

NEW & IMPROVED!
